**PLACER SUPERIOR COURT ANNOUNCES THE EXPANSION OF
SELF-HELP CENTER SERVICES AND HOURS**

Effective January 3, 2023, the Superior Court of Placer County's Self-Help Center will increase the number of available one-on-one, in-person and remote appointments for self-represented litigants. This is in addition to expanded services implemented by the Self-Help Center in November 2022, which included additional assistance during court proceedings and added new walk-in and pre-scheduled appointment times.

This change coincides with the Placer Superior Court's expansion of the Court Clerk's Office and telephone hours at all locations to 4:00 p.m., as announced in the court's December 6, 2022 [Public Notice](#). Specifically, for the Self-Help Center, in-person, telephone, and video appointments on Tuesdays will be extended by one hour to 4:00 p.m., likewise online Live Chat hours will now conclude at 4:00 p.m. on Monday, Wednesday, Thursday, and Friday.

The increase in access to services for the public was made possible by the actions of the Legislature and Governor in addressing the need for equity funding of the California Trial Courts. The court is grateful for the increased funding which allows the Self-Help Center the opportunity to further serve the community.
